PROFILE

Motion design and post-production educator with Seven years of studio-style teaching and academic leadership. I take students from brief to finished film, motion graphic or composite through iterative critique, process documentation and portfolio reviews. Seeking IB Visual Arts, Design, Design Technology or Media roles where industry tools and reflective making can sit inside an inquiry-based programme.

EXPERIENCE

Graphics & Motion Design Trainer | Academic Head *2025 – Present*
Dice Academy, Delhi

- Train students in After Effects, Photoshop and Premiere Pro through practical briefs, critique cycles and portfolio building rather than software walkthroughs alone.
- As Academic Head, manage faculty, academic operations, performance assessments and professional-development workshops.
- Design practical exams that reward process, iteration and final delivery - a habit that maps directly to IB process portfolios and design journals.

Post-Production Faculty *2023 – 2025*
Arena Animation, Delhi

- Taught editing, motion graphics and compositing with differentiated briefs for mixed-ability groups.
- Assessed work through regular reviews and gave specific, production-oriented feedback students could act on in the next cut.

Post-Production Trainer *2019 – 2023*
MAAC, New Delhi

- Built project pipelines using specialised post-production tools and tailored resources for varied learner needs.
- Mentored students who later worked with production and brand teams including MPL, Astrophysics, Portronics, MPC and Hammer.

Junior Compositor *2019*
ZIMA Digitals, Mumbai

- Integrated CGI with live-action footage in a commercial studio pipeline, strengthening the industry practice I now teach.

EDUCATION

Master of Business Administration(Operations Management) *2024 – 2026*
Indira Gandhi National Open University

Advanced VFX Plus *2017 – 2019*
Maya Academy of Advanced Creativity
